FOR IMMEDIATE RELEASE

Weekly Lane Closures for the San Mateo County Route 82 Smart Corridor Project

San Mateo County – The California Department of Transportation (Caltrans) has scheduled the following lane closures for the week of September 4, 2013, through September 7, 2013 as part of the Route 82 (El Camino Real) Smart Corridor project.

Caltrans crews will install an Intelligent Transportation System (ITS) system that provides traffic management tools to manage traffic on local streets and State Route 82. Improvements include, a fiber optic communication system, interconnection of local and State traffic signals, trailblazer signs, message signs, vehicle detection systems and fixed cameras. This system will run from the City of San Bruno to Redwood City.

Partners include: (C/CAG) City and County of Associated Governments of San Mateo County, US Department of Transportation-Federal Highway Administration (FHWA), and the following Cities, San Bruno, Millbrae, Burlingame, San Mateo, Belmont, San Carlos and Redwood City.

Construction is expected to be completed in October, 2013. (Weather Permitting)
